Clerk of Court:

I am a member of the following class action suit:

Cameron, et al. v. Apple Inc.  
Case No. 4:19-cv-03074-YGR  
United States District Court, Northern District of California

The Settlement Administrator has informed me that I am entitled to a settlement and they issued a check to a defunct LLC of which I am a Managing Member but I have been unable to get the Settlement Administrator to reissue a check in my name. I have been months trading email and speaking via phone and the Settlement Administrator still has not reissued the check. They say they will but they don't.

Would the Clerk's office be able to provide guidance in how I can get the Settlement Administrator to reissue my check?

Thank you very much,

George Berry
